

## Susie Booker

Susie also has worked in the accounting field for over 30 years. Prior to forming Booker Accountancy Company in 1985, she worked as Controller for a regional retail men's apparel business.

Susie has primary responsibility for the Firm's administrative functions, but also is in charge of client business services. Her experience includes providing controllership and business tax preparation, accounting and financial statement services to clients in a variety of industries.

Susie has been a QuickBooks Pro Advisor since 1985. She routinely tackles QuickBooks training for clients with varying levels of experience and accounting needs. No engagement is too small or too big for her attention.

She compiles and prepares individual and business income tax returns for sole proprietors, partnerships, trusts and corporations.

She is a trusted source of answers for questions involving payroll taxes, sales and use taxes, property tax and other regulatory reporting.

Susie received her Bachelor of Science degree in Business Administration from California State University, Sacramento in 1980.
